Grand Master Chu King Hung

Master Chu King Hung was born in 1945 in China and first came in contact with T'ai Chi Ch'uan early in his life. When his family moved to Hong Kong, as a 12-year-old boy, he began an apprenticeship with Master Yang Shou-Chung which would last for 26 years. He learned the complete tradition of the Yang family and was then authorised by his master to teach the Yang style in its original form. Master Chu built up the ITCCA in Europe and found an appropriate way to teach the Original Yang Style T'ai Chi Ch'uan to Western students.

Location

The stage will take place under the trees in the city park "colle di S. Michele", one of the largest parks of the city of Cagliari with its breathtaking 360° view all over the city, the sea and the mountains behind. The park is 7 km away from the city airport and 5 km from the main station situated in the "Piazza Matteotti". In the Via Roma nearby Via Maddalena, just in front of the main train station's building, you will find one of the bus stops of the CTM lines 5 and 5/11, that brings you to the location. You have to get off at the last station in the "Via Cinquini" and walk the way up to the second park entrance, in front of the parking place. Tickets cannot be purchased on the bus, they are only available at the vending machines inside the bus stations and at the various cafés and news stands along the streets.
